Fazl Ali College, established on 8th September 1959, is one of the leading educational institutions of the State. It is the oldest College in Nagaland and is a co-educational Government College affiliated to Nagaland University. Located in idyllic sylvan settings, the College is about 5 kilometres from Mokokchung town.

The College functioned as a private College till 1962 when it was taken over by the Government of Nagaland. Initially it had started only with Arts stream and subsequently Science stream was introduced in 1983. Today the College has grown to sixteen departments in Science and Arts disciplines.

The objective of the College is to promote higher learning and to produce students who are second to none in academic quality. The College strives to mould the young minds and guide them towards unfolding of the skills and talents latent in them.

VISION

To develop the College into a hub of multidisciplinary studies and a centre for indigenous research of National and International relevance.

MISSION

- To mould students to face the challenges of contemporary society and to possess definite target goals so that they can act as catalyst for socio-economic change.
- To produce students who are ethically sound, creative and second to none in academics.
- To strive towards academic autonomy in order to maintain high academic standards and in keeping with the Nation's Education policies.
- To expose students to ICT enabled Teaching-Learning processes while maintaining relevant traditional methodologies.
- To focus on original and need-based research on indigenous resources.
- To focus on Nation building by strengthening Community Extension Services and collaborations.
- To build and strengthen transparency and decentralization in academic and administrative roles.
