Fazl Ali College was established on 8th September, 1959 under the then Governor, Sir Syed Fazl Ali. The College made its beginning as a private Arts College with two rooms, 43 students and three lectures by sharing the building of Government School, now known as Mayangnokcha Government School and later moved to what is now known as the old Town Hall of Mokokchung. The College was taken over by the Government after the formation of the State of Nagaland with retrospective effect on 1st March 1962 as a fully funded Government Institution and the College has grown in strength. In 1969, the College shifted to its present campus at Chuchuyimpang Village under Mokokchung District, 5 km away from the heart of the town. The Science stream was introduced in the year 1983 which was fully upgraded to BSc undergraduate studies in the year 1999.
