

GOVERNMENT OF NAGALAND

FAZL ALI COLLEGE

MOKOKCHUNG: NAGALAND

ANNUAL ADMINISTRATIVE REPORT 2022-2023

1. Institutional Data:

Fazl Ali College was established on 8th September 1959. It is located about 5 kms away from Mokokchung Town. It has a campus area of about 85 acres. The College was set up with the vision and foresight of a few educated men and women who felt the need for a liberal education to enlighten the masses. Nagaland, as a state, did not exist then but the region was under the State of Assam as the Naga Hills District and the insurgency movement then taking place led many young people to boycott schools. However, Fazl Ali College survived these turmoils and with a donation of ₹1 (rupees one) from every household in Mokokchung District and the help of the then Governor, Sir Syed Fazl Ali, the College came into being. When the State of Nagaland was formed in 1963, the Government took over the College as a fully funded Government Institution with retrospective effect from 1st March 1962 and the College has not looked back since then. In 1983, this became a reality with the addition of the Science stream. Today, the College has 16 departments and is an “A” graded college under NAAC. The motto of the College is “*Academia Nulli Secundus*” (Second to None in Academics)
