INTERNATIONAL CONFERENCE
ENDURING LEGACIES, EMERGING VISIONS:
A MULTIDISCIPLINARY APPROACH TO
SUSTAINABILITY (ELEVATE@50FACTA_2025)

8th
MAY 2025

Conference Venue :
COLLEGE AUDITORIUM
FAZL ALI COLLEGE
Mokokchung, Nagaland, India.

A joint initiative of the
Fazl Ali College Teachers' Association (FACTA),
Research & Development Cell and Seminar Committee
Fazl Ali College

As we celebrate the 50th anniversary of the Fazl Ali College Teachers' Association (FACTA), we honor a legacy built over decades while embracing a vision for the future. Under the theme "Legacy and Vision," this Golden Jubilee event commemorates past achievements in education and community service, inspiring us to honour these accomplishments with the vision to address the complex sustainability challenges we face today. In a world shaped by climate change, rapid technological advancement, and shifting socio-political and economic landscapes, it has become more crucial than ever to pursue innovative, equitable, and sustainable solutions that will benefit both our present and future.

This milestone conference aspires to bring together scholars, practitioners, and policymakers from across the globe to exchange ideas, foster partnerships, and create actionable strategies for sustainable development. By drawing on both historical perspectives and forward-looking insights, we aim to bridge the past with the future, combining the strength of our legacy with a commitment to progress. Guided by our theme, "Legacy and Vision," we embrace this opportunity to inspire meaningful change and contribute to a resilient, just, and sustainable world for future generations.

HOST INSTITUTION

Fazl Ali College (FAC), Mokokchung, is a distinguished institution and currently the only government college in Nagaland to be accredited with an 'A' Grade by UGC-NAAC. Established in 1959, FAC has been a beacon of academic excellence, offering undergraduate programs across various disciplines. The college is known for its commitment to quality education, research, and community service, playing a vital role in nurturing intellectual

and social growth in the region. With a legacy of over six decades, FAC continues to shape future leaders and contribute significantly to the educational landscape of Nagaland, fostering a holistic learning environment where academic rigor and cultural values go hand-in-hand, making it a pillar of progress for students and the community alike.

About FAZL ALI COLLEGE TEACHERS' ASSOCIATION (FACTA)

Established in 1975, the Fazl Ali College Teachers' Association (FACTA) stands as a committed organization dedicated to advancing the professional welfare of its members and fostering academic excellence at Fazl Ali College, Mokokchung, Nagaland. Guided by its motto, *Inspire et Educare*, FACTA provides a dynamic platform for faculty collaboration, encouraging research initiatives and organizing seminars, conferences, and workshops that enrich the college's academic environment. With a strong focus on unity, professional growth, and educational advancement, FACTA plays an essential role in building an intellectually cohesive and vibrant community within the college. Celebrating its 50-year Golden Jubilee, FACTA reaffirms its foundational values of academic integrity, unity, and collective growth, with a renewed commitment to supporting faculty development and enhancing the college's academic stature.

Conference Objective

The primary objective of the conference is to create a platform for dialogue and collaboration across various fields, fostering a multidisciplinary approach to sustainability. By bringing together scientists, experts, academicians, and researchers in life sciences, humanities, physical sciences, social sciences, management, agricultural sciences, and engineering, we aim to:

1. Highlight innovations in research and practices that address sustainability and social equity.
2. Explore the connections between historical, cultural, and contemporary challenges, emphasizing ethics in technological advancements.
3. Foster partnerships between academia, industry, and civil society for context-aware, sustainable solutions.
4. Inspire participants to advocate for sustainable practices, contributing to a greener future.

Conference Themes

This International Conference will cover the following tracks:

1. Biotechnology and Biodiversity : Bridging Tradition and Innovation.
2. Cultural Legacies : Narratives and Ethics in a Changing World.
3. Innovations for a Sustainable Future: Energy and Beyond.
4. Navigating Global Challenges : Policies for Equity and Sustainability.
5. Leading for Tomorrow : Sustainability and Organizational Legacy.
6. Sustainable Agriculture : Innovations and Indigenous Practices.
7. Smart Solutions : Engineering for a Greener Tomorrow.

Other relevant topics related to sustainability will also be considered.
